**Fuschlseebad,
Dorfstraße 30,
5330 Fuschl am See**

**Eintritt: 10 Euro
Einlass: 20 Uhr**

EVENT DESCRIPTION

General Information:

- Date: 10/19/2024 – 10/20/2024 8 pm – 2 am
- Location: Fuschlseehalle, Dorfstraße 30, 5330 Fuschl am See
- Expected guests: 400

Target Audience:

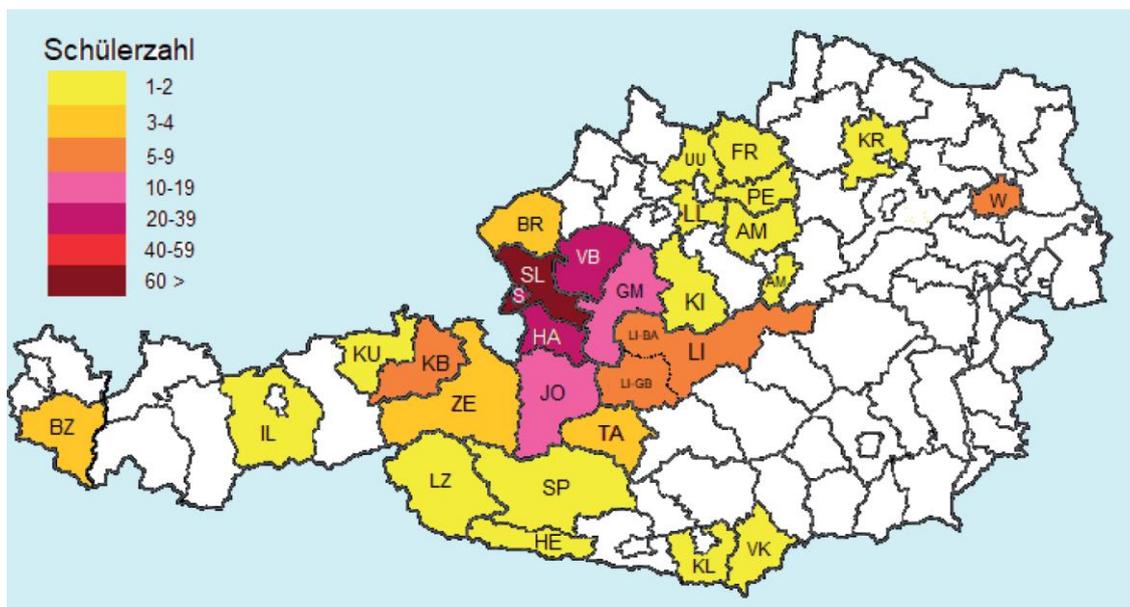

- Age: 16 – 26
- Occupation: Students, Apprentices, Career starters
- Geography: Mainly the Salzburg area; however, students at the Werkschulheim come from all over Austria.

The main clientele consists of students from the Felbertal vocational school. High attendance can be expected from this target group, which means that guest expectations can be easily met. However, the target group is also supplemented by young people from the Salzburg area and surrounding regions.

About Us:

The Werkschulheim combines general secondary education with technical training in mechanical engineering, mechatronics, or carpentry. The nine-year secondary school program concludes with both a secondary school diploma and a journeyman's certificate.

As it is a boarding school, the students come from all over Austria, with the majority coming from Salzburg and Upper Austria.

Visit our school's [homepage](#) for additional information.

1. SERVICES FOR SPONSORSHIP

Sponsorship is always a bilateral exchange of services. We are not asking for charity, but rather for a strategic partnership in which you can expect a corresponding commitment from us in return for your sponsorship.

Investing in our event can be a wise decision, especially if your customer base consists of young people from the Salzburg area or if you are looking for employees in technical trades.

Our range of services is modular. You can order any of the following options from us as you wish:

I. Logo Placement on Posters

Your logo will be featured on our posters. This applies to A3 posters that will be displayed throughout our school and in the communities of Fuschl am See and Ebenau three weeks before the event. It also applies to large-scale advertising posters in public spaces. At the time of publication of this letter, a construction fence poster is planned on the B158 Wolfgangsee Straße between Koppl and Salzburg. Another poster on the L107 Wiestal Landestraße in the Ebenau community area is still under discussion, as is a digital display board in the Ebenau community area.

II. Pop-up Stand

If you have pop-up stands available, we can set them up at our location.

Price: 100 €

III. Banner at Location

If you would like to hang standard-sized banners with us, they will be hung in the gallery above the main bar.

Price: 100 €

IV. Social Media

Our event has an Instagram page with currently over 450 followers. We would be happy to place your logo or a desired post, such as a product offer or job advertisement, on our page.

We distinguish between posts that are permanently displayed in the feed as long as we operate the account and stories that are displayed to followers for 24 hours on their status page and then in our highlights.

V. Product-Placement for in-kind Donations

We are also happy to offer product placement for your products in exchange for donations in kind, such as bar equipment. Simply contact our sponsorship team, who will take care of presenting your product in the best possible way at our event.

CONTACT

We would be happy to discuss your specific ideas in person. To do so, you can either contact your contact person (the person who sent you the brochure) by phone or contact the committee in general at the following email address: maturaklasse25@werkschulheim.at

We look forward to partnering with you!
